## MENU AND FEE SCHEDULE

Mongrel Design is a full service Interior Design Company. Owner Michelle Samar started her Interior Design business, Non-Essentials, in Anthem in 2001, and is excited to offer her design expertise, and share her amazingly talented craftsmen with her clientele at Mongrel Design.

Below is a general list of services we offer:

INITIAL CONSULTATION: The first meeting when the scope of a project, no matter how large or small, is discussed and a design plan is devised. Usually there is minor furniture re-arrangement, or paint color selection involved in this first consultation.

COLOR CONSULTATION: When paint colors are chosen anywhere from one room to all of the rooms in a home. We offer selections from major brands in the area and can refer you to our professionals in the painting world, whether you are need a basic one-color application, or a dramatic Venetian plaster transformation.

REMODELING: Whether you are installing a new floor, backsplash, renovating your kitchen, bathroom, backyard, or adding a home office, we can offer you design advice and the professional craftsmen to make it happen.

FURNITURE ARRANGEMENT: Sometimes all a space needs is a little perspective. If your room isn't flowing, simply moving existing furniture can make a world of difference. When larger pieces are need to be moved, we can provide the extra hand to help.

ACCESSORIZING: Many people start out with a good foundation (sofas, chairs and occasional tables), but freeze when it comes to giving the room its personality. Accessorizing a space is a very important step and we can offer you a variety of options in putting the finishing touches on your room.

CUSTOM DRAPERY/SOFT FURNISHINGS: A great way to add color and texture to a room is through drapery and pillows. If you need a custom size, or a design that isn't available in a ready-made form, custom drapery is your solution. We offer basic stationary panels, double and triple width drapes, Roman shades, valances, pillows, bedding, outdoor cushions and drapery and basically anything you (or we) can imagine.

ARTISTIC PAINTING: From the most subtle, ethereal faux finish to the opulent shine of a marble infused plaster, we offer the most innovative painting finishes available today. Whether you need an entire home, a single room, or a foyer ceiling done in one of these gorgeous finishes, we work together with the artists that make your dreams a reality.

CUSTOM CARPENTRY: Wood can be carved into a work of art. Anything from modern, multi-functional, streamlined home offices, to ornate fireplace surrounds and entertainment centers, to kitchen cabinet re-facing, our professionals are top notch. We use quality materials with an infinite number of finishes, from dark walnut glazes to antiqued white distressing, whatever your room requires, we can provide it.

EXTERIOR DESIGN: If you need help designing an outdoor space, whether it's a courtyard, backyard or a patio area, we can provide you with ideas on style, materials and structural solutions, from outdoor kitchens to fountains and pergolas. We can also provide the landscape/hardscape professional to get construction underway.

HOLIDAY/PARTY DÉCOR: Capture the magic of the Holidays by having your décor professionally installed. We can do it all from arranging your current accessories, to purchasing everything you'll need and installing it for you. Christmas and Halloween are our specialties, but we also offer our design services when it comes to private parties, such as Birthday, Anniversary, Retirement, or even a "themed-out" barbeque. Save yourself time and running around and allow us to help.
